DECISION AND DIRECTION

The National Labor Relations Board has considered a challenged ballot in an election held December 10, 2014, and the Regional Director's report recommending disposition of it. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 13 ballots cast for and 12 ballots cast against the Petitioner, with 1 challenged ballot, a sufficient number to affect the results.

No exceptions have been filed to the Regional Director's report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations.¹

¹ The Regional Director recommended that Bonnie Schem's challenged ballot be overruled, and her vote be counted.

DIRECTION

IT IS DIRECTED that the Regional Director for Region 20 shall, within 14 days of this direction, open and count the ballot of Bonnie Schem, and thereafter prepare and serve on the parties a revised tally of ballots, and issue the appropriate certification.

Dated, Washington, D.C., April 13, 2015.
